

NIAGARA SCOUTING MUSEUM

Let us do the
programming for
you!!!!

Not sure how to present the History of Scouting to your group in a fun, interesting and educational manner? Problem solved. Book a meeting at the Niagara Scouting Museum and let us take care of the rest.

Niagara Area is proud to share the history of Scouting and Scouting in Niagara with your group. The museum offers a wide variety of Scouting memorabilia sure to catch the attention and interest of youth, leaders and parents alike.

Working with our knowledgeable and trained leaders, Scouting youth visiting the museum will be one step closer to achieving the Canadian Heritage Badge for Cubs or Heritage Badge for Scouts.

Each visit to the Niagara Scouting Museum can be custom tailored to suit the specific needs and interests of your group and can include: knot tying workshop and challenge, history scavenger hunt, and trivia games and puzzles.

Cost: Per Youth – No Badge \$0.00 – that is right – 100% no cost
Per Youth with Niagara Scouting Museum Crest - \$2.00
